Narrative

According to the Form 472 (BEAR) Notification Letter I received on May 9, 2018 there are 2 invoices that were not approved for reimbursement. The explanation given for both invoices is "Incomplete documents provided for review". The invoices were originally submitted on Feb 23, 2018, I received a follow-up email from Flor Saenz on Feb 26, 2018 asking for additional information. I responded to his email request the same day, Feb 26, 2018, attaching the requested invoices and worksheet to my response. I have uploaded a copy of my email and the attachments that were sent to this appeal for your review. There was no further communication from Flor or any additional questions asked about these invoices. In my opinion I provided all the information requested and would like to appeal the decision to withhold funds for these invoices.
